This is our game

An active lifestyle teaches us to know and understand our limits, to push them further, and to strive for continuous improvement.

At ArcelorMittal Dofasco, we know that an active lifestyle provides the foundation for every employee to develop and compete every single day as individuals, as a company and as a community. Join a company that knows and values those who can push their personal limits while working toward a common goal.

See how we’re working as a team to transform tomorrow at dofasco.arcelormittal.com

Welcome to Athletics & Recreation at McMaster!

We are entering an exciting new era at McMaster with construction starting this fall on an expansion of A&R’s facilities. And, thanks to our partnership with the McMaster Student Union, there will be some improvements you will love which are starting right now:

- A Pulse Fitness Centre membership is now included in your supplementary fees, so no need to buy a membership at the beginning of the year (for students represented by the MSU only). Just bring your student card with you when you enter David Braley Athletic Centre and the Pulse.
- Please check our dress code, gym etiquette and policies before your first workout, posted outside the Pulse and on our website: marauders.ca.
- Reduced fees for yoga, pilates and intramural programmes.
- An expansion of the Pulse with construction expected to start in spring 2019. You will have an opportunity to give us your feedback on what you want! Details to be announced.

We are also proud that McMaster has recently joined the world’s health-promoting universities and colleges in signing the Okanagan Charter, dedicated to advancing human and societal health and wellbeing. The Charter encourages higher education institutions to embed health into all aspects of campus culture, across the administration, operations and academic mandates as well as to lead health promotion action and collaboration locally and globally. A&R will be playing a key role in this very important call to action for our university community.

LGBTQ Inclusion in Sport & Recreation

As leaders in sport and recreation, and as a key player in U Sport’s Pilot Project to Address Homophobia in University Sport, it is important that we expressly note that all members of our community, including lesbian, gay, bisexual, trans-gender and queer athletes, students and staff, are welcome to play, learn and cheer with us. If you need support, have new program ideas, have concerns or want more information, please contact the Manager of Recreation Services, Debbie Marinoff Shupe at marinof@mcmaster.ca or the QSCC Coordinator at qscq@msu.admin.mcmaster.ca.

Accessible Sport & Recreation Programs

We are committed to working proactively to ensure members of all abilities are able to access our facilities, programs and events. We welcome feedback on ways to better serve all members, especially with respect to accessibility. Some specific services and equipment that are available include:

- Accessible lift is available for use in the pool.
- Two Sport Wheelchairs are available for sign out at the service desk.
- The Hippocampe All Terrain Wheel Chair (contact Wayne Terryberry at terryber@mcmaster.ca to sign it out).
- SNAP (Special Needs Assistance Program) – details can be found on page 35 of the guide.
- Parasport options and accommodations in our Intramural Sports programme (contact intramurals@mcmaster.ca for details).

Please notify program area staff or contact Debbie Marinoff Shupe, Manager of Recreation Services, at marinof@mcmaster.ca or 905.525.9140 x24640 if you require support or accommodations accessing any of our programs or facilities.

Statement of Dignity & Inclusion

As the Department of Athletics & Recreation at McMaster University:

- We’re committed to building a safe and inclusive space where diversity is celebrated.
- We recognize, value and encourage celebration of the human differences that surround us.
- We ask all members of our community to participate in fostering this spirit.

Any expressions of bigotry, hatred, prejudice or disrespect are inconsistent with the ideals of preserving human dignity and our goal of cultivating the human potential in everyone, and have no place in our community.

Facilities and Information

GENERAL INQUIRIES & REGISTRATION INFORMATION

Registration
Begins August 1 (fall) and Dec 1 (winter) for instructional programs. Registrations are in-person, mail, fax or on-line. To avoid disappointment, register early. Registration will be accepted on a first-come, first-serve basis.

Cancellations/Changes
Class sizes, in most cases will be limited. You will be contacted by phone if the program is cancelled or full. Recreation Services reserves the right to cancel or combine any class with insufficient registration or change the time, location or fee if necessary.

Fees/Payment
All instructional fees quoted include the H.S.T. unless otherwise noted. Accepted forms of payment are cash, cheque, debit card, VISA, Mastercard and AMEX.

Refunds
Refunds are subject to prorating and refunds will not be processed after the half way point of a program. Refunds less than $10.00 will be credited to your account. NSF cheques are assessed a $55.00 administrative fee.

Facilities
50 metre - 6 lane pool, 200 metre indoor track, 400 metre outdoor track, indoor climbing wall, sprung hardwood and composite floor gymnasiums, 50 ft Alpine Tower, sprung hardwood floor dance studios, squash courts, racquet ball court, practise fields, sauna, Mindfulness Center and outdoor fitness circuit. The Pulse Fitness Centre is an extensive supervised facility containing stationary bikes, stair climbers, treadmills, rowing machines, free weights, weight machines, a group fitness studio, the Hank Ray Cycling Studio and the Feather Family Climbing Wall.

* Due to extensive demand for a limited number of lockers, we have implemented a locker lottery. Go to https://rec.mcmaster.ca/programs to enter the lottery. Please contact the Registration Office for more information at reconline@mcmaster.ca.
OPERATING GUIDELINES

Please follow these rules while using the Athletic & Recreation Centre. Other A&R rules applicable to a specific area are posted throughout the building and must be followed.

1. All visitors must report to the Joan Buddle Service Desk. Service Staff may ask you to present proper ID. You may be asked to leave the building if you fail to provide the proper identification or proof of membership.

2. Recreation Members may keep articles locked in temporary day lockers only during period of facility use (rental lockers excepted). Day lockers left overnight with locks attached will have their locks removed and contents will be secured by staff. There is a fee to retrieve secured articles. Management is not responsible for lost, damaged or stolen personal property. We strongly recommend you secure all your belongings at all times in the facility.

3. Guests are welcome to use the Athletics & Recreation Centre but must be sponsored by a current member to purchase guest passes. Guest fee payments are made at the Service Desk.

4. Facility use privileges are non-transferable. Recreation/Pulse memberships are for use by purchasing member only. If a Non-member is found fraudulently using a membership, both member and Non-member will lose current and future membership privileges and the Student Code of Conduct protocols will be followed.

5. No personal locks are permitted on rental lockers unless authorized by the Department of Athletics & Recreation. All personal belongings must be removed from rented lockers by the expiry date of your service. Any and all articles left behind are assumed unwanted by their owner and will be disposed of after two months in accordance with the University policy regarding lost and found articles. Management is not responsible for lost, damaged or stolen personal property. We strongly recommend you secure all your belongings at all times in the facility.

6. It is important that participants wear appropriate foot wear when participating in the activity areas within the ARC. “Street Wear” shoes are not allowed in indoor play areas.

7. Inappropriate behaviour such as swearing and physical or verbal abuse will result in the immediate loss of all current and future membership privileges.

8. Please read all posted signage. Signs are posted to inform users of rules, proper etiquette, and upcoming events/closures.

9. For your safety: Equipment set-up is to be performed by trained staff only. Unauthorized movement or set-up of equipment will result in a request to leave and possible membership suspension.

10. Use of Cellphones and cameras is prohibited in the change room areas. Please refrain from using your phone/cameras while in these spaces.
**Play Safe**

We want your experience in the Athletics and Recreation Complex and Stadium to be fun, enjoyable and good stress relief from the pressures of studying! There are many inherent risks of sport and activity. By following some simple safety rules you can help prevent injuries and play safe.

1. **Have you eaten today?** Make sure you eat a healthy meal and hydrate well before any kind of work out or activity (usually an hour or more prior to exercise).
2. **Drink water while working out to prevent dehydration.**
3. **Warm up adequately for the sport or activity you are playing.** If you need some ideas, speak to the personal trainers in the Pulse.
4. **Wear all mandatory and recommended safety equipment for your sport – eye goggles are mandatory for playing squash, wear a helmet while skate boarding, cycling or in-line skating. Use safety harnesses during climbing activities.**
5. **In the locker rooms, wear flip flops in the shower and dry off after showering before entering the locker area.**

---

**OPEN RECREATION: PICK UP**

Unstructured and informal sports occur in most facilities at various times of the day and week. The schedule and location for all drop in activities can be found on the Get Rec’d McMaster App, the marauders.ca website or by calling 905.525.9140 x24612.

Please note that your student card/membership card must be presented on request.

- **Badminton**
- **Basketball**
- **Climbing Wall (see page 37 for hours)**
- **Meditation**
- **Outdoor Boulder Climbing and Fitness Circuit (north side of the track)**
- **Outdoor Field Sports – Football, Soccer, Rugby and Ultimate Frisbee**
- **Squash – Please note that eye protection is mandatory and shoes must be non-marking**
- **Racquetball – Please note that eye protection is mandatory and shoes must be non-marking**
- **Skateboarding – Please note helmets and wrist guards are mandatory**
- **Soccer, indoor and outdoor**
- **Swimming (see page 18 for hours)**
- **Table Tennis**
- **Tennis, Indoor**
- **Track, Indoor and Outdoor**
- **Volleyball**

6. In the Pulse, remember to put your equipment away after use and take extra precautions when putting dumbbells back onto the rack to avoid pinched fingers. Ask a trainer if you are unfamiliar with the use of a particular piece of equipment. They are there to help!

7. Moving soccer, basketball and volleyball nets can be dangerous if you are not trained. Please do not move them, just ask for assistance from the Service Desk.

8. **Know your limit! Everyone has good days and bad days. Listen to your body and only push yourself when it is appropriate and take days off of activity when it makes sense for you.**

9. **Remember it’s just a game! There is zero tolerance for aggressive physical or verbal abuse.**

10. **Remember - If you do get injured, assistance is available at the Pulse front desk and the DBAC Service Desk. The Sport Medicine and Rehabilitation Centre can help you get back to playing through a variety of health care services.**
**How do I get started?**

1. To find dates and information about our programs, go to rec.mcmaster.ca/programs and choose Classes.
2. Choose a class type to get details first, then proceed to Register Online.

**For Students**

1. Click on Sign In.
2. Click on McMaster Login and use your Mosaic username and password to log in.
3. Click on View Programs.
4. Select the desired program and register.

**For Non-Students**

1. All non-students must create a new account to be added onto our new system. On the top right corner, click Sign Up.
2. After signing up, an email will be sent to your email address with a link to activate your account.
3. After activating, log in.
4. Click on View Programs.
5. Select the desired program and register.

**Who Can Register?**

Instructional Programs are open to everyone; highschool age and up, unless otherwise noted.

For more information or assistance, e-mail us at reconline@mcmaster.ca or call us at 905-525-9140 ext 24464.

Please note: First Aid courses are not available for online registration and must be done via fax, mail or in person.

Forms can be found under Instructional Programs, First Aid on our website www.marauders.ca/instructional.

**REGISTRATION NOW AVAILABLE ONLINE:**

**McMASTER STUDENTS RECEIVE MEMBER RATES!**

**Swimming**

**Absolutely Terrified Swimming Lessons for Adults**

Are you absolutely terrified at the thought of swimming? This program is designed for adults who need special attention to overcome their fear of water. You will receive private or semi-private instruction during a quiet time in the pool with patient instructors that have a passion for teaching people how to swim. We can accommodate requests for women only and men only lesson time. Space is limited. 5 lessons per session and missed classes are not rescheduled.

Private and Semi-Private Swimming Lessons

McMaster University offers private or semi-private lessons for all ages consisting of one, two or three participants. Lessons can be tailored to suit personal goals, such as stroke improvement or can mimic the Lifesaving Society Program. Please note that participants must generate the groups for semi-private lessons themselves and that the participants should be close in ability. Contact the Lessons Coordinator at 905.525.9140 x27526 for details. 10 Lessons per term and missed classes are not rescheduled.

Privates (1 participant): $26/lesson $260.00
Semi-private A (2 participants): $21/lesson/person $210.00
Semi-private B (3 participants): $18/lesson/person $180.00

*No Classes October 7th, January 27th, February 17th.

Swim Training For All (including Masters and Triathletes)
If you are looking for a swimming experience that is more intense than recreation then this is the program for you! This program is adapted for participants from novice to advanced swimming abilities. Workouts are offered 5 times a week so participants have a greater flexibility to choose which and how many workouts they would like to attend. Create the program that works best for you. Swimmers should be able to complete a minimum of 200 meters.

This programme is offered through the Golden Horseshoe Aquatic Club. A variety of days and times are available.

See ghacswimming.ca for details.
**Superhero Training Academy (STA)**

The Superhero Training Academy is a fitness program designed specifically for children and youth with special needs. The program focuses on improving fitness fundamentals, such as balance, flexibility, coordination and strength, while also promoting the development of social skills, such as listening to instructions and working co-operatively in groups. In order to achieve these goals, children receive the undivided attention of one or two dedicated McMaster student volunteers. Parents are welcome to stay and observe. For further details contact the program coordinator at sta@mcmaster.ca.

**Member: $110.00    Non-Member: $130.00**

**Altitude – Youth Climbing Club**

Youth Climbing Club is a fun and challenging introduction to rock climbing. This course is designed for youth ages 8–12 with a desire to climb and learn the skills required to get started in the world of climbing. You will learn: how to tie knots, proper belay technique; climbing techniques; and team skills all under the guidance of experienced rock climbers. Designed for both experienced and non-experienced youth climbers. The course is nine sessions including a session on our Alpine Tower.

-----------------------------

Bringing Sexy Back

Bringing Sexy Back is a dance workshop created for individuals wanting a FUN, FABULOUS way to MOVE. You will not only get a great workout and stretch, you will have space to be yourself and have the confidence to express what makes you feel good both on and off the dance floor. No dance experience required. Date/Time TBA. See marauders.ca/instructional for more information.

-----------------------------

Latin – Beginner

Students are introduced to the hot ‘club style’ Latin rhythms danced in North America. Dance styles include the Salsa & Bachata with an emphasis on Salsa. Learn some steps you can do on your own, or with a partner.
Instructor: Sean Quinlan.

Mac Student/Member: $52.00  Non-Member: $95.00

Lyrical/Contemporary

Lyrical Dance is a fusion of styles that often uses techniques from jazz and ballet combined to create free movement. Students will have the opportunity to learn choreographic routines that will allow them to express various emotions. Although technique is important, this class will stress the importance of showing your style and who you are as a dancer through the movement. Lyrical can be very ‘outside the box’ allowing a dancer to get out of everyday stresses and worries and simply explore. Instructor: Angela Chen

Korean Sword

Korean Sword is the art of swordfighting. Basic sword techniques and stances will be taught and drilled with emphasis on control, endurance, speed and strength. A typical session begins with extensive warmup, then basic training, a series of repetitive cuts and stances, followed by traditional patterns (forms). Students are encouraged to purchase their own wooden practice swords (bokken, mokgum), available through our Recreation Business Office WG101 after September 4, however there will be some bokkens for borrowing at the start of the course. Instructor: Stephen Smith.

KRAV MAGA Self Defense: Level 2
This course is designed for anyone who is interested in learning realistic self-defence. This is a higher-level continuation of the KRAV Maga – Level 1 Program that spans a broad range of concepts and techniques. Students will participate in drills that will give them an understanding of how the technique works and why we use it. Contact is minimal and safe at all times. Instructor: Elvis Podvorac

Location: Rose Hill Studio

Pilates – Beginner

Based on the pioneering work of Joseph Pilates, this class is focused on ease and efficiency of movement. Students gain knowledge of good alignment based on a stable ‘centre’, increased abdominal strength and free joint movement.

Instructors: Mondays Ruth Hoffman, Wednesdays Megan Pedersen.

Mac Student/Member: $27  Non-Member: $70

Starts  Ends  Day  Time
17-September-2018  26-November-2018  Monday  11:30am–12:25pm
19-September-2018  28-November-2018  Wednesday  12:30pm–1:25pm
16-January-2019  27-March-2019  Wednesday  12:30pm–1:25pm

Location: Mindfulness Centre

Pilates – Intermediate

Based on pioneering work of Joseph Pilates, this class is focussed on ease and efficiency of movement. More challenging moves will help students increase knowledge of good alignment based on a stable ‘centre’, increased abdominal/core strength and free joint movement. Some previous Pilates experience recommended.

Instructor: Ruth Hoffman.

Mac Student/Member: $27  Non-Member: $70

Starts  Ends  Day  Time
17-September-2018  26-November-2018  Monday  12:30pm–1:25pm
14-January-2019  25-March-2019  Monday  12:30pm–1:25pm

Location: Mindfulness Centre

Scuba Certification

Experience the wonder of the underwater world and earn your PADI scuba certification. The professional Instructors at Burlington’s Float N’ Flag Dive Centre will mentor you through this course, designed to provide you with the best combination of diving theory & diving skills. Their experience and expertise will help make you a confident & safe certified SCUBA diver. You will become familiar with various types of scuba equipment & develop confidence with the use of scuba gear in the pool in preparation for your open water check-out dives in the spring/summer. Upon successful completion of the course, your PADI certification card will be recognized in all parts of the world, so you’ll be able to dive anywhere you go. The course fee includes instruction and use of all scuba equipment (mask, fins, snorkel, regulator, buoyancy compensator, weight belt, weights and scuba tanks). Medical form and waiver are required.

A FREE information night will be held on Wednesday, February 27, 2019. 6:00pm to 7:30pm.

Registration deadline: March 1, 2019. Materials required are available at the DBAC Registration Office in advance.

Mac Student/Member: $212  Non-Member: $304 plus HST
Materials Fee (DVD, textbook, diver logbook): $124 plus HST
Open water dives: $200 plus HST

Starts  Day  Time  Location
3-March-2019  Sunday  7:00pm–9:00pm  WB111
9-March-2019  Saturday  9:00am–12:30pm  WB111
16-March-2019  Saturday  9:00am–12:30pm  Pool
24-March-2019  Sunday  1:00pm–4:00pm  WB111
**Squash**

This 7-week programme will provide beginners with the opportunity to develop their squash skills or refresh skills previously learned. Lessons are 80 minutes long and no experience is necessary. Racquets and goggles provided, or bring your own. Course taught by members of our McMaster Varsity Team. For private lessons, please contact Heidi O’Brien at obrienh@mcmaster.ca.

FITNESS PROGRAMS*

*Dates/Times will be available on marauders.ca/thepulse or The McMaster Recreation App.

**Learn to Lift**

Resistance training is a great way to achieve fitness goals, reduce risk of injury and improve overall health. Learn to Lift is a program designed to teach you to optimize the benefits of resistance training with your personal health goals in mind. In this 6 week, (1 hour per week) course, you will learn basic resistance training techniques, importance of aerobic exercise, effective goal setting, gym etiquette, proper nutrition for performance and recovery and how to design a program specific to your goals. Whether you are new to exercise or would like to improve your exercise regime, anyone can benefit from this program. Let our certified trainer help you gain confidence in your abilities and discover your strength through knowledge and practice!

Mac Student/Member: $45.00  
Non-Member: $65.00

**Women on Weights - Level 1**

Women On Weights is an instructional program that has been designed to engage and teach women of all ages and abilities the importance of exercise, specifically that of Resistance Training. In this 6 week, (1 hour per week) program with a Personal Trainer, participants will learn about gym etiquette, specific resistance training techniques and more importantly you will learn about your body and yourself. It is our goal, that by the end of this program you will feel like the STRONG, POWERFUL, and KNOWLEDGABLE woman that you are and that this will translate into you being confident and comfortable within the gym setting.

Mac Student/Member: $45.00  
Non-Member: $65.00

**Women on Weights - Level 2**

The continuation of Women on Weights is designed to further the understanding of those who have previous resistance training experience. Unlike WOW Level 1, Level 2 is structured less like an instruction only program but to some extent will be a fitness or workout program as well. This 6 week, 1 hour per week course is open to anyone who has done Level 1 previously or has experience and would like to learn something new or better their technique.

Mac Student/Member: $45.00  
Non-Member: $65.00

FITNESS PROGRAMS

Intro to Circuit Program
Do you have little to no experience in the gym? Do you want to get started but don’t know how? This might be the program for you! Join a Pulse personal trainer for a supervised 4-week (1 hour per week) circuit program. This program will get you started and assist you to build a base of fitness. Participants will meet once per week in the private circuit area within the Pulse. You will be prescribed a 45-minute circuit program targeting the full body using machines and body weight training. You will train in a group and under the supervision of a trainer. The team atmosphere and encouragement from a personal trainer will keep you on track.

Mac Student/Member: $25.00 Non-Member: $45.00

Strive for Health
This program is a 10-week fitness, health and wellness program for adults with developmental disabilities. Participants will meet at the front desk of the Pulse Fitness Centre. Participants will have the opportunity to try a variety of recreational sports and fitness activities such as resistance training, cardiovascular training and circuits. Participants will also have the opportunity to learn about health and wellness. For further details contact Josh Dion-Broadley at the Salvation Army, Lawson Ministries JoshDionbroadley@lawsonministries.org.

Member: $90.00 Non-Member: $90.00
*Participants must come dressed for physical activity and a water bottle is suggested

PERSONAL TRAINING

The Pulse is pleased to offer highly qualified personal training at very affordable pricing to our members. We continue to be cutting edge in the fitness industry by providing continuing education opportunities to our staff of nationally certified personal trainers.

There are countless benefits that can come from working with a personal trainer beyond helping you set and achieve realistic and attainable goals and keeping you motivated. Browse through our trainer profiles online or in person to see who might best serve you.

Unsure where to start or have fitness-related questions? Don’t hesitate to ask our friendly staff! We always have at least one trainer monitoring the Pulse at all times.

*First session is an assessment. Three sessions required for a program. Can add BODPOD Session for $20.00.

Group Training
Studies have shown that one of the most effective ways to commit to an exercise program is to work with a buddy. So why not sign up (at the Recreation Business Office DBAC WG101) for personal training with a friend and train as a team. One of our trainers would be happy to design a program for you and a friend.

Fee: $27.00/hr per person (max of 3 people)

BODPOD Testing
BMI and scales don’t give you the full story. Many people have already taken the BODPOD test and received information about their body mass, fat mass, as well as their estimated resting metabolic rate. This information is very useful in the pursuit of changing your body composition; either losing body fat or building lean body mass. By getting fast and accurate information of your body composition before and after a period of training, you can fine tune your workouts and we can track your progress over time. BODPOD Tests can be purchase at the Recreation Business Office (DBAC WG101).

Pulse Member: $25.00 Non-Member: $40.00

SNAP – Special Needs Assistance Program
Getting a great workout is a SNAP! This program is designed to assist any McMaster student, or member who has special needs. If you need physical assistance to complete your workout or activity, this program is for you. The program coordinator will pair you with one of our student volunteers who will meet you for your workout and provide you with assistance. The program is free of charge to all McMaster students and members who may be challenged by a physical and/or motor impairment. For further details contact the SNAP coordinator at snap@mcmaster.ca.

VOLUNTEER OPPORTUNITY:
If you are interested in volunteering with this program please contact us today! Email: snap@mcmaster.ca.
Get Fit Pack

Are you a first year or returning member wanting a fitness routine created for you to suit your individual needs, schedule and fitness goals too! It is not uncommon for individuals to experience a drop in activity level when work seems to pile up. Let us help you stay committed to a training program that works for you.

Student Rate: $127.00    Non-student Rate: $157.00

Get Fit Pack includes:
• A fitness assessment including a BODPOD test
• An individualized program based on your goals
• 3 one-on-one personal training sessions with a level 1 trainer

Outdoor Recreation

The Outdoor Recreation program is comprised of several program areas: Outdoor Leadership Courses, ALTITUDE, Climbing Wall, and Adventure Recreation Clubs: Outdoor Club, Climbing Club and Whitewater Club. For more information, please come to DBAC W125 or call x26384 or email outdoor@mcmaster.ca.
Climbing Wall Orientation
Learn how to belay effectively and safely on a climbing wall and review climbing equipment and care. This two hour workshop will also review climbing techniques and route variations.

Introduction to Wilderness First Aid
Wilderness First Aid is an excellent introduction to wilderness emergency care. The program’s goal is to equip participants with the basic knowledge and skills to adapt first-aid techniques to the demands of wilderness locations. This course’s primary goal is to equip students to identify potential life threatening emergencies and their severity within a wilderness context. This course is ideal for those who want a brief but intense introduction to wilderness first-aid and are primarily doing personal trips and outings in remote areas. CPR included and recognized for workplace safety standards.

McMaster Outdoor Club
The Outdoor Club organizes a variety of outdoor events during the spring and summer, both beginner and intermediate skill level trips ranging from two hours to one week in duration. The club is open to McMaster students and the community, and includes alumni and staff members. Join us for some outdoor summer fun! For more information on any of the following trips or others that are offered please visit www.macoutdoorclub.ca, contact 905-525-9140 ext. 23512 or 26384 or e-mail outdoor@mcmaster.ca.

Outdoor Club partial schedule
Cootes Canoe Trip - Take an afternoon or evening canoe trip that will explore beautiful Cootes Paradise.
Algonquin Park Canoe Trip - This beginner level canoe trip will head to the most famous canoe tripping area in Canada!
Bruce Penninsula Backpacking - This beginner backpacking trip will hike the scenic trails of the peninsula before camping by the blue water of Georgian Bay.
Advanced Wilderness Trip - This trip will happen towards the end of the summer, and will be either a backpacking or canoe trip. If you have somewhere you’d really like to go, email the club outdoor@mcmaster.ca

McMaster Climbing Club
The club organizes a variety of climbing events all year round. Trips will range from day trips to several days and will be suitable for all skill levels. The club is open to McMaster students and the community, and includes alumni and staff members. Join us for some climbing fun! For more information on the club or any of the trips we will be offering, please email mcmasterclimbingclub@gmail.com.

Nature at McMaster
McMaster University is surrounded by many natural areas that are easily accessible to students, staff and faculty.

For more information: visit nature.mcmaster.ca
Managing Risk in Outdoor Recreation
This workshop is designed to help trip leaders recognize, assess, manage, and avoid situations of potential risk in remote settings. Topics include risk management theory, key concepts and methods of pro-active and reactive risk management, case studies such as the infamous Lake Temiskaming incident, legal responsibilities of trip leaders including liability and trip planning. Upon successful completion of the workshop, a certificate will be awarded.

Mac Student or Member: $10.00     Non-Member: $55.00

Starts  
10-November-2018  
19-January-2019

Day  
Saturday
Saturday

Time  
9:30am–12:30pm  
9:30am–12:30pm

Wilderness Advanced First Aid
A 36-hour course that prepares you for emergency situations in a wilderness setting. It is a complete introduction to wilderness medicine and the following medical protocols: ana-kit and epipen injections, wound management, and modified CPR protocol. It is designed for people who work and travel in less remote areas and assistant leaders on back-country trips. Certification from Raven Rescue.

Mac Student or Member: $435.00     Non-Member: $495.00

Starts  
2-May-2019  
5-May-2019

Ends

Day  
Thurs-Sun

Time  
8:30am – 6:00pm

Outdoor Leadership and Group Dynamics
This workshop is designed to teach group leaders the importance of establishing and maintaining a healthy group atmosphere, techniques for establishing clear goals and expectations within a trip group, and the subtleties of group dynamics. Topics include: leadership styles, team-building skills, peer leadership, and conflict resolution. This workshop is essential for anyone who leads groups in the wilderness or other adventurous settings. Upon successful completion of the workshop a certificate will be awarded.

Mac Student or Member: $10.00     Non-Member: $55.00

Starts  
10-November-2018  
19-January-2019

Day  
Saturday
Saturday

Time  
1:00pm–5:00pm  
1:00pm–5:00pm
WE'VE GOT YOUR BACK
AND HEAD. AND NECK. AND SHOULDERS. AND BICEPS. AND ELBOWS.
AND HANDS. AND WRISTS. AND FINGERS. AND HIPS. AND GROIN.
AND QUADS. AND KNEES. AND CALVES. AND ANKLES. AND FEET.

Health is the foundation of human potential
#ChooseBetter at the David Braley
Sport Medicine & Rehabilitation Centre
For all of your injury and rehabilitation needs
Intramural Sports

McMaster Intramural Sports offers affordable leagues and tournaments for the entire McMaster community, with a variety of PlayStyles and multiple skill levels.

**PLAY WITH US**

Serving the entire McMaster community, all abilities welcome.

If you would like to play and require an accessibility accommodation, please let us know at intramurals@mcmaster.ca.

- Teams & Free Agents welcome.
- Multiple ‘PlayStyle’ levels: PlayFun, PlayCompetitive.
- Leagues Offered: Open, CoRec, Men’s, Women’s.

**WORK WITH US**

- Paid student Game Officials hired and trained all year – apply online!
- Experience an asset, passion a must!
- Supervisor jobs posted in winter/spring for next season.

**WOMEN IN SPORT TOUR**

League Offered Fall 2018

A multi-sport experience with a focus on fun and friendship. No commitment, with Intro Try it Night.

**Women: Sign-up as an individual or group!**

We make the teams, you play the sports, and we all go home with new friends!

The Women in Sport Tour is a great way to get active, have fun and meet new friends – and future teammates – with shared interests.

- Basketball
- Table Tennis
- Floorball
- Soccer
- Ultimate
- Volleyball

**TOURNAMENTS OFFERED**

- Table Tennis
- Unified Special Olympics Basketball
- Wheelchair Basketball
- Wheelchair European Handball
- Women in Sport Tour
- Battle of the Mountain

**REDUCED PRICING FOR 2018/19**

50% OFF!

**@MacIntramurals**
I Want to play! What do I need to do?
Create an account on IMLeagues.com/McMaster. All aspects of Intramurals (registration, scheduling, communication) goes through IMLeagues, so whether you want to start a team, join a team, or work as an official with us, you need to be on IMLeagues.com first.

How do I register a team?
Once logged in to IMLeagues, click Register in the top-right corner of the screen. Selecting Create Team will bring you to a list of all available leagues. Choose the one you’d like to join and follow the instructions. Heads up: A Free Agent teammate (or two) may be added to your roster prior to the season’s start.

What are “PlayStyles”?
A league’s PlayStyle is exactly what it sounds like – the style of play expected and accepted in that league. Two PlayStyles are in place to serve a wide variety of interests and abilities:

1. PlayFun: For participants who really just want to play and enjoy the game with friends, mixing social hour and exercise into a multitasker’s dream. Leagues are officiated and have playoffs.

2. PlayCompetitive: For participants who like to play competitively and expect their team and opponents to do the same. In PlayComp, no one is “elite”, and everyone is respectful.

When do I have to pay?
Payment must be made online through IMLeagues at the time of registration on in-person at the David Braley Athletic Centre Business Office the next business day.

SPORTS LEAGUES OFFERED

- Badminton
- Basketball
- Cricket
- Dodgeball
- Flag Football
- Floorball
- Ice Hockey
- Innertube Water Polo
- Soccer
- Sitting Volleyball
- Softball
- Table Tennis
- Ultimate Frisbee
- Volleyball
- Women in Sport Tour

Fall sport registration opens September 4th for all Fall leagues.

Winter sport registration is open November 5th - 23rd.

## Marauder Athletics Coaching & Club Contacts

All varsity teams and clubs at McMaster hold open tryouts.

These teams compete in Ontario University Athletics (OUA), Canadian Interuniversity Sport (CIS) or similar competition.

Recreation Sport Clubs are noted with an asterisk. Not all clubs are competitive.

Other competitive opportunities are available through the McMaster Intramural Program (found on page 40 of the guide).

For more information please contact the coach or club contact of the sport you are interested in and visit our website at: marauders.ca.

* = Recreation Sport Club
As part of the preparation for the upcoming athletic seasons ALL McMaster Student-Athletes competing in USport, OUA or Club sports are required to complete a Pre-participation Medical Evaluation – Privit profile found at https://mcmasterathletics.privitprofile.ca prior to competition.

Student Athletes are encouraged to complete the questionnaires honestly, thoroughly and with accuracy.

The various modules embedded in the platform cover medical conditions that demand your attention. Their content/message is only meaningful if reviewed attentively. McMaster’s Sport Medicine team is committed to providing our Student Athletes with the most comprehensive medical support available and it starts here.

Those Student Athletes competing for a McMaster USport, OUA or Club team are also required to complete a physical exam. The Physical Form will be pre-populated with the information provided as the Medical History Questionnaire is completed. The form is to be downloaded, printed and then brought to their Family Physician who will complete the exam and sign the form.

The form is then to be uploaded back into Privit where it will be reviewed by a McMaster Sport Medicine Certified Therapist. Student Athletes are encouraged to have their exam completed by their family doctor but as an alternative, the exam can be completed by a McMaster Sport Medicine Physician in the David Braley Sport Medicine and Rehabilitation Clinic for a fee of $100. First Year Student Athletes considering trying out for a team, should be proactive and book a physical exam as soon as possible so that there are no unnecessary delays in receiving their Medical Clearance to compete. Privit and First Year physical completion are mandatory.

Should you have any questions or concerns with the Privit platform itself please contact the Privit help desk directly at 1-844-234-HELP (4357), Monday – Friday 8:00AM – 5:00PM EST

For all medical related questions contact Chris Puskas at puskasc@mcmaster.ca
