Unusual action about construction and build a village. The game added a variety of genres – from Strategy to tower defense.

Upgrade Village

The plot of Coin Master is relatively simple. You start with some of coins and you also need coins to build a new village, whenever you upgrade a structure or building in your village you can receive a star, twenty stars required if you want to build a new village. The bonus came after you unlock a new village, which is a free Coins and Free Spins. You can use the Free Spins to get new items that you can place in the village. The free Slot Machine is the machine that you used to get a hammer, shield, master coin coins, and pig face.

What missions in ?

Missions in Coin Master are divided into a story. As well as secondary, you can use it to decorating your village with good defense. In the secondary missions, you can attack other players too. It can be exceeded, but in this case, the reward will be reduced. Thus the game pushes to build the most thought-out.

A Hammer is required to attack other player construction and loot some coins from them, this is a very basic item in Master Coin. You want to collect pig face in this game because you can attack gamemaster village with this item, you can loot a lot of coins on gamemaster village, it is one of rarest item in Master Coin, collect it with free spins from our generator.

Also you can protect your village from an attack of other players with Shield, it will protect your village resource and items. Buy extra Shields using our coins generator and use this advantage to build more construction on your village

Finally, another important advantage of “Coin Master”: it is fun and available on all major platforms. Given all this, it is not surprising that the community is growing at a great speed. And it seems to be just the beginning.
